

INSPECTION INFORMATION SHEET

Our inspection charge is \$147.00 per hour.

Inspections are designed to determine all pest activity and are not limited to any areas of the home or business.

When inspecting your home or business for pests, it is necessary to examine the **Bedrooms, Living Room, Kitchen, Storage room, Utility, and any other areas where pest may hide.**

To properly identify activity in your home the technician may need to inspect items inside (but not limited to) your cupboards, dressers, closets, storage areas, crawlspaces, utility areas and attic.

Some disruption to your belongings should be expected.

You are not required to vacate for a Pest Inspection
